## WE INVITE YOU TO JOIN US.

With you, our heroes can have a place to call home.

For over 35-years, Alpha Omega Veterans Services has provided housing and support for homeless veterans in the Midsouth. And now, Alpha Omega plans to serve even more homeless and disabled veterans, as we renovate the former Marine Corps Reserve Center, to provide additional housing and services.

You can build a home for heroes and honor or memorialize a special person in your life.
